ADVANCED INTERCONNECT MFG, MEMBER OF NARVI – CELEBRATES ITS 25TH ANNIVERSARY

Advanced Interconnect Mfg. is celebrating its 25th year in business. Few electronic manufacturers can count on such a history.

From its early beginning our vision has never changed:

- Customer Focus
- Responsiveness
- Teamwork
- Technology
- Continuous Improvement & Lean Manufacturing

AIM is committed to providing highly-innovative and customized solutions. It is AIM's outstanding customer service and support, and unmatched quality and value that have made AIM one of the most recognized names in the industry today.

We thank all of our employees and customers for helping make this happen. With the desire to constantly improve, AIM mfg. is paving the way for its success.
