## **NARVI EXHIBITED AT AHR EXPO**

AIM Mfg and M2S Electronics, two members of Narvi, exhibited at AHR expo, the world's largest HVACR marketplace. This year AHR expo was held in Atlanta on January. Several agreements followed this exhibition.

Narvi's multidisciplinary team offers benefits on many levels. Our positioning in North America (Canada, United States) and Europe, will meet the requirements of support or local content, while bringing together the complementary know-how of each partner. This will also allow European customers to enter North America through local expertise.

### **Information**
